PROFESSIONAL PROFILE

www.Momen2m.com

One relationship. A clearer financial picture.

Financial decisions rarely live in isolation. Tax filings, books, payroll, identification requirements and long-term goals all affect one another.

Momen2m helps individuals and business owners replace fragmented tasks with coordinated support and straightforward communication.

OUR APPROACH

Understand

Start with your facts, obligations and priorities.

Organize

Build accurate, practical systems around the work.

Move forward

Turn the numbers into timely, informed action.

Core support for individuals and growing businesses

- | | | |
|----|------------------------------------|--|
| 01 | Tax preparation | Organized, accurate preparation with a focus on understanding the return—not just filing it. |
| 02 | Bookkeeping | Clean, current records that make decisions, reporting and tax preparation easier. |
| 03 | Payroll support | Dependable payroll processes and reporting built around the needs of the business. |
| 04 | ITIN requests | Certified assistance with the ITIN application process and required documentation. |
| 05 | Financial guidance | Experienced perspective that connects today's decisions with longer-term financial goals. |
| 06 | Registrations & filings | Company registrations, formation documents and required state or federal filings. |

Expertise you can bring to the table

ITIN PROCESS

Certified support

Momen2m is certified to assist with the ITIN request process, helping clients navigate documentation and application requirements with greater confidence.

OWNERSHIP EXPERIENCE

20+ years in financial services

A financial advisor with more than two decades of experience is part of Momen2m's ownership—bringing seasoned financial perspective to the firm's client-first approach.

Qualifications matter. So does knowing how financial decisions connect.
